PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**These have been incorporated in the text and need to be carefully checked and rectified.**	Checked and rectified as suggested.
Minor REVISION comments	The language needs to be improved.	The language is tried to be improved.
Optional/General comments	It is an interesting paper where the use of different manures has been compared to improve the status of degraded ecosystems. The authors have been successful in their endeavour.	Thanks for the encouragement.
