SDI Review Form 1.6

**PART 1: Review Comments**

| | **Reviewer's comment** | **Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)* |
|---|---|---|
| **Compulsory** REVISION comments | - **Try to include recent publications and related information since they will enrich your findings**<br>- **Try to revise again the acknowledgment section because there is a contradiction of ideas** | |
| **Minor** REVISION comments | | |
| **Optional/General** comments | - It will be much more informative work if it has a compilation of data at least of two different seasons or the same season data but which is collected from different experimental sites | |

**Note: Anonymous Reviewer**
