PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**Also the values in results and table differ author has to go through keenly once again through tables and results.**	Yes , corrected
Minor REVISION comments	**The author has to improve the paper in terms of good English and as well as typing as there lacks space among many words which I have tried to demarcate by red.**	Already attended to.
Optional/General comments	The paper needs a go through again by the author. References should also be streamlined accordingly with proper space and commas. Also according to the format.	Okay
