SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1. The comments have been indicated in the various sections of the manuscript; particularly as it affects streamlining and redefining the objective of the study (manuscript is attached).** **2. The reference citations in the text should be revised** **3. The language of presentation has to be strongly improved; possibly the manuscript subjected to English language editing** **4. The discussion section is more generalized. It should sharply interpret the observed results in this study in the light of existing literature; pointing out clearly the major contribution(s) of the present study to the body of existing knowledge.**	
Minor REVISION comments		
Optional/General comments
