PART 2: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	Since this paper is case study not general study, the author should be indicate location of study in title and in abstract. It is important to explain the reader in part of introduction: Why Divcivare ? How it is important? Data Analysis: From data in table 2 and table 3 is FDI and condition for doing business for overall sector in economy. However, this paper focused on tourism sector. Author should find out supporting data that relate to FDI in tourism sector such as investment regulation in tourism sector in Serbia. Moreover when we find out potential investor we should scope to review or data based on main investor/potential investor in accommodation and tourist facility sector such as "Who is specialist in accommodation area?" "Who has mega share of hotel in the world?"	
Minor REVISION comments	The heading number order of line 114,127 and 142 are mis-ordered	
Optional/General comments	I'm appropriate the analytical in part of "Competition from Other Host Countries" If possible, Could you add the map of competition countries
