SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1. The objective of this paper not well understood; please provide clear objective and approach used in the paper.** **2. Some of the paragraphs are not clear** **3. Check referencing throughout and match to the reference section** **4. How is the impact to pest and diseases to crop and animals?**	Corrected!
Minor REVISION comments	1. English Grammar check throughout **2. Focus more in local community adaptation strategies and national policies, what are the key challenges?** 3. You may provide some positive impact of climate change i.e. in Agriculture production through possible increased rainfall	Corrected!
Optional/General comments	1. Literature reviewed can be increased to provide more critical analysis of existing adaptation and mitigation strategies already on ground	A really good work has been done in this part!
