PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**The results require discussion in the light of literature.** **Indeed, additional literature relevant to the issue will be relevant for the discussion.**	
Minor REVISION comments	The use of acronym requires attention. The first time foreign direct investment is used, there should be FDI and subsequently, FDI should be used, unless FDI begins a sentence in which case FDI must be in full.	
Optional/General comments	This is generally a good paper.
