SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	1) The description of the present study in introduction is not clear. 2) What does Model B represent in Fig. 2.2 ? I suggest that a table could be introduced for providing details of models. 3) The conclusions can be outlined point by point. 4) The writing level throughout the manuscript seems to be improved.	
Minor REVISION comments		
Optional/General comments	Therefore, the submitted paper is recommended against the publication in its present form.
