SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**Organization of introduction section is so weak. For example, a sentence has been considered as a paragraph, or literature review of previous works is missing. The problem that authors have been solved is not clear for reader.** **The equation numbering is missing and wrong.** **In the conclusion section, authors must give more note and comments about their work.**	
Minor REVISION comments		
Optional/General comments
