PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments		
Minor REVISION comments	The article titled: "Social Networks in Ghana" is not cited. The authors are Christopher R. Udry (Yale University) and Timothy G. Conley (University of Chicago). The paper is May 2004. This article is interesting. Especially those networks are better positioned to succeed than individual organizations. Lack primary literature on networks. It is a key issue in the article	
Optional/General comments
