SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**The paper is within the scope of the journal though it needs to be revised seriously. First of all some of the calculations used by the authors for which no references were given. The paper should be written more carefully. It needs to be more compact.Reference list should be uniform and under the scope of the journal. The introduction portion should be more informative. Though the paper is of good quality. And may be accepted after the revision.**	
Minor REVISION comments		
Optional/General comments
