PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**L6-23: abstract doesn't fully fit the title...x need to quote very much on o'neil ...abstract should focus on brief summary of this specific title** **L29-30: BRIC, BRICS, NDB, poverty, extreme poverty, inequality, MDG..but pls arrange alphabetically** **L35-36: delete** **L36-55: too much quotes from o'neil..shld provide brief introd related to BRIC etc , relationship to poverty & directly to your title** **L66-100: better option – combine both title: eg BRICS Roles & NDB then, restructure content to reflect how BRIC/BRICS develops towards establishing NDB Quote less on various submits but give overall picture on the shift of policies among BRICS & establishment of ADB...focus on roles...** **L101-140: integrate under 1 title eg NDM & Bretton W: towards good governance** **Thus need to restructure/re-do the whole sections** **L141-261: best integrate under 1 sub-title.. ..eg. BRICS, IDA & incidence of poverty, thus restructure the whole sections to link specifically to the title of article directly.** **L240-261: T 2 should come 1st, then their discussion, followed by T1 accordingly.**	

SDI Review Form 1.6

	L240-242: table should hv info on total pop & % of total poverty, proportion of extreme vs normal poverty. **Try to provide details on position of BRICS in wealth (GDP, GNP, Y percapita etc then relates our main concern – poverty/extreme poverty within BRICS** **L323-366: many unnecessary repetitions, & do not fit for concluding section. However, part of 307-321 seems suitable as part of concluding remarks.**	
Minor REVISION comments		
Optional/General comments	Focus specific to the article title & try to provide details on how BRICS..etc planned to integrate under ADB & their success/failure/delayed. No specific definition on poverty, extreme poverty & how these affected BRICS overall.
