SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**Major language problems. There are many grammatical errors that confuse the reader as to what exactly is the patient saying. Also the result sections doesn't elaborate the findings and does not provide any demographic details while he mentions it in the discussion. Introduction has some flaws as well since it lacks some information. Try expanding it**	
Minor REVISION comments	Give spaces in paras to move from one topic to another	
Optional/General comments	none
