SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**The research finding is okay for local consumption in terms of helping to highlight the risk of antibiotic resistance development in bacteria; a problem in many developing nations with the major health burden of recalcitrant infectious diseases.** **However, the standard of English used is too poor with many grammatical errors.** **The paper need to be rewritten in good publishable English language.**	OK! As, I already write, coming from French speaking country, English is sometime difficult for us. I'll ask to colleague to help me in the redaction in English.
