SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	Something about the mechanism of healing which involves growth factors such as PDGF and IGF-1 which play a crucial role in healing and regeneration should be included.	Mechanism PDGF has been added under heading discussion.
Minor REVISION comments	The radiographs are not marked for which period they correspond	Radiograhs are marked now.
Optional/General comments	Manuscript is bit lengthy and could be written in more lucid and coherent way.	Reviewers are suggesting to add more about technique and mechanism of action of PRF. Their suggestions are added.
