SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	The justification of the research was clearly spelt out in the abstract section. The results of the work were only presented but were not discussed well enough to bring out pertinent findings. The results of this research findings should be discussed more appropriately	
Minor REVISION comments	The introduction section should contain more information on the production constraints including weed and their managements rather yam seed production.	
Optional/General comments	The manuscript can be published subject to the minor and major corrections stated above.
