SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments		
Minor REVISION comments	Authors must to make some modification in the redaction of the article. I expressed on the manuscript some mistake and paragraphs with necessary modification by best compression…	We have listened to your comments by improving our manuscript writing
Optional/General comments		We rephrased the summary and homogenized the redaction in treatment groups with ETDE we requested. We also made some clarifications where it was requested. We have a section after 2010 it is lim et al. published in the Lancet in 2012 (Reference 2).
