SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1-there is need to put indicators of Nigeria on the elements related to title like stigma, discrimination and communication** **2.the theory used must be summarised** **3 results tables must be reduced as they look busy with too long sentences in the question column** **4. There is no discussion for this paper which is vital** The adaptation of the approval system from Nigeria or local area has not been included	
Minor REVISION comments	Must summarise the model used Must adapt the scholarly writing frame by avoinding pointing points format.	
Optional/General comments	This paper has good idea on the negative communication of HIV in Nigeria but there is much to be done to adapt the journal guidelines
