SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**It is a good experimental work. Its synthesis is consistent, however I believe in the Materials and Methods section, authors should refer to the experimental design and statistical method used.** **Likewise, the chapter of results should be supported with proof of stockings made to establish significant differences.**	
Minor REVISION comments	The scientific name of potato is Solanum tuberosum L. Check it.	
Optional/General comments	Check all references appear as in-text citations Please clarify the ethical issues if any
