SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1. The paper should suggest interventions to be taken to address identified challenges such as lack of knowledge on the part of members in connection with their roles and how for example the fund available to committees may be used or they become aware of.** **2. Sources should appear on the text not only at the reference. There are figures and percentages used in the text but no indication on where they have been derived.**	1. Suggestions have been included at the end in discussion. 2. At two places data from census has been used and is mentioned in the text now.
Minor REVISION comments		
Optional/General comments
