SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	(1) The literature part could be further enhanced. (2) Improve the research method to analysis the correlation.	(1) We expanded the literature review. Please see highlighted text on p. 3 (lines 101-117). (2) The linear regression is performed and interpreted the result are on pp. 7-10 (lines 195-262).
<u>Minor</u> REVISION comments	(1) L9: 2011 >>> 2001; (2) Some expressions and sentences in the paper need to be improved.	(1) The correction was made on line 9 from 2011 to 2001.
<u>Optional/General</u> comments	This paper studies the relationship between national income with occupational injury. The issue seems to be interesting. But, I don't think the assumptions are reasonable and the conclusion lacks the professional analysis on the relationship between national income with occupational injury.	Please see the linear regression analysis and its interpretation on pp. 7-10 lines 195-262.
