PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	This is a well written short study that substantiates results of previous research done on co-morbidity of mental illness.	
<u>Minor</u> REVISION comments	This study does not require revision except: background and objective in abstract needs separate headings. Please also replace "Methodology" by "Methods".	Appropriate changes made
<u>Optional/General</u> comments	An interesting study that uses HUGE BIOSENSE DATA for research purpose needs to be accepted for publication	Thanks!
