Subject: RE: Request for final decision for manuscript number 2014_AIR_9452

According to your request, hereby I am sending you the editorial decision on the manuscript No. 2014_AIR_9452 entitled , Medicinal potential of *Acalypha wilkesiana* leaves“.

Seeing that the reviewer's suggestions and recommendations were not adequately responded by the authors, and the results of the article are very general, I consider that the manuscript is acceptable to publish only in the form of short communication.
