Type of the Article	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Yes, Now It is better and able to explain the objective of the research, but for future work, a simple suggestion for author to give importance to other dimension of health also to explain it holistically.	Thanks a lot for the reviewer's consent and valuable comment. We have taken the suggestion seriously to address that in our future studies.
