Career counseling and life trajectories in France: Research and perspectives for single parenthood.

In looking over the 2nd revision of this article, it is much improved from previous versions; however, there is a need to clean up a couple of problems.

Abstract – lines 6, 7 & 8. This sentence should read **“The main goal of this note is to discuss the fact that certain social, affective and economic aspects can impacts a single woman’s life trajectory.”**

Also on line 8. Delete the word **“apprehend”** and replace it with **“examine.”**

Line 12. Delete **on the contrary.**

Line 33. Add comma after i.e.

Line 34. Add comma after i.e.

Line 52. Remove comma after Milewski

Line 60. Chardon **and**Daguet (remove &)

Line 77 and 79. “Secours Catholique” should instead be *Secours Catholique*.

Line 87. The **is**should be **are**.
