**SDI Review Form 1.6**

**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments		
<b><u>Minor</u></b> REVISION comments	I have read carefully the article through. The article is well written by all means. The results presented in the manuscript seem correct, publishable and the technique employed to solve the problems are generally standard with some novelty. Author's also presented here Peregrine breather of order 11 graphically for the first time. However, some typo and grammatical error are exists.	
<b><u>Optional/General</u></b> comments
