SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Abstract: I think that the author does not have to list all of the objectives here – just summary of it. The objectives would be good in the introduction section, after the research questions part at Line 61. After reading the article, I have the difficulty of understanding the whole idea because I believe it has been copy and paste from thesis (e.g.: Refer Line 243, Line 246 – Appendix C is not in the article, line 272 – Appendix B, Line 290 – what is 3.4.3.2in this article). The sentences are not well connected, making it hard to digest what the author is trying to say. Line 452: In conclusion.....the sentence is not complete, hanging	I agree with reviewer After reading through the work I realized the work was not well organized. I have re-organized it and highlighted those areas in yellow.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	Restructuring the article would be good to do. I believe the good idea is there but the way it has been presented make it less attractive.	That has been done
