SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. Lack of link between sentences in 'Introduction'. 2. Recommendation is not clear; 'more agricultural inputs should be given to produce more millets' indicate nothing. It should articulate 'to whom, who will give, distribution channels/methods, infrastructures, etc.' clearly. 3. Table 6 not described properly. 4. Corrections in reference: i) Spelling of Andhra Pradesh in ref.4, ii) Full stop after each reference, iii) Alignment need to justify, iv) Uniform style of all the references (as per journal style).	(1) Observation Taken (2) Recommendations indicated the word "farmers" that Agricultural Inputs be Provided for Farmers by Government---its clear (3) Table 6 now further discussed-observations taken. (4) Andhra Pradesh in Ref 4 Corrected as Observed (5) Full Stop after Reference Corrected as Observed.
Minor REVISION comments	1. In output column of Table 6, decimal places should be uniform. 2. All the references in the text are indicated by number, as per the number of reference in bibliography. This may led to breaking of attention of readers.	(1) Table 6 Decimal Corrected as Observed (2) References in Text follow Journal Format
Optional/General comments		Satisfactory
