Title of the Manuscript:	PERFORMANCE OF MICRO AND SMALL SCALE AGRIBUSINESSES IN NORTHERN GHANA: NON-FINANCIAL ANALYSIS

PART 2:

Editorial Comment	Authors' response
1. The abstract must be reconstructed, which means re-write it according to the know standards. No details should be mentioned in the abstract. Very simple ideas with major results. 2. Many references were ignored and not mentioned in the "List of References ". An example is line 33 – FAO 2004, line 41 O Okorley and Kwartan 2006, Wolfenson, 2001 and many others. A double check is needed. 3. The abbreviation for Micro and Small Scale Agribusiness (MSA) should be Capitalized and written in a unified way in the text. In some places it was written SMA. 4. Line 139, " was used to measure of the degree of agreement along.... > It should be corrected to "....was used to measure the degree of agreement along... 5. Line 142, " The idea behind this index is was..." must be corrected. 6. The use of present and past tenses should be maintained through all the text. For an example, present tense should be used when explaining tables...	This has been done. Figures taken out and conclusion captured I have identified them and revised accordingly This has been corrected Done Done Done Done
