

1. Special Query to Author

Subject: Urgent request for clarification for manuscript number 2014/AJAEES/10411

Thank you for submitting your manuscript number **2014/AJAEES/10411** (Title: **FDI IMPACT ON CARBON DIOXIDE EMISSIONS IN ASEAN5**). Our Initial Review and Screening Subcommittee (IRSS) found one similar publications of your own as a conformance paper:

Available at following

links: (http://www.internationalconference.com.my/proceeding/asbes2012_proceeding/033_152_2ndASBES2012_Proceeding_PG0471_0484.pdf)

As per our SDI policy we will also consider work that has been presented at conferences (Significant amount of changes should be made before submission to the journal and proper citation of the conference paper is required).

Therefore you are kindly request to restructure your manuscript and submit your modified paper. After received of your modified manuscript we will start the peer review process.

We hope you'll appreciate our strict and high publication standards, which are designed to give benefits to the authors in long run.

2. Author Reply for Special Query

I have made some adjustment on the paper. I have change the title; do some improvement on the content especially the theoretical model, separating the table at the appendix section etc. I really hope to receive constructive comments from your reviewer and do more improvement on this paper.
