Optional/General comments	- In the introduction, line 22 (Livestock production and breeding in Nigeria is predominantly in the hands of nomadic ...) Where are the science and research centres ??? - In the introduction, (...on group herds, sells of milk and processed products....) It should be corrected to (...on group herds, sale of milk and processed products. - In the introduction (...Despite the above enormous contribution of nomads to national building) I think there is an exaggerating sentence with enormous contribution. How could they contribute to enormous national building with (literacy rate ranging between 0.2% and 2.9%) Mohammad and Ardo (2010) was misspelled in the List of References (Muhammad, N.D. and Ardo Table 3. Showed that there was increase	Most of the science and research centres in Nigeria are not commercialised such they don't produce in commercial quantity. Noted and corrected. Enormous not in terms of their educational contribution but in their contribution to livestock production, livestock product and Taxes. Noted and corrected.
