SDI Review Form 1.6

PART 1: Editorial comment

	Editorial comment	Author's feedback
<u>Compulsory</u> REVISION comments	None	
<u>Minor</u> REVISION comments	- The authors used improper capitalization in some sentences: Examples: “Tomato produced in the State is ...” ..”...neighboring States. .. “ “Thus, for the State to....” “This study was carried out in Kogi State, Nigeria. Kogi State is located in the central region.....” A better sentence to use is: “This study was carried out in Kogi State, Nigeria, which is located in the central region..... “ “Niger and River Benue is at its headquarter...” - Should be corrected to “Niger and River Benue is at it’s headquarter...” Under “3. Results and Discussion 3.1 Socio-Economic Characteristics of Tomato “ The distribution of respondents according to age revealed that majority (82.9%) were...” The percentage should be as in the table (82.5% , so the total is 100%	

SDI Review Form 1.6

	• The total amount of the married percentages in Table 1 is over 100%. It is 100.1% • At the end of the table 1, it was stated that “.. majority (76.7%) of the respondents were married, ... “ Should be corrected to “majority (76.7%) of the respondents was married, • The “Household size of most respondents ranged from 6-12 members ...” has wrong number It should be corrected to 7-12 • The percentage in this sentence “About 53.5% of tomato farmers in the study area had income” It should be corrected to 51.3%	
<u>Optional/General</u> comments
