SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Authors should go through the report and make proper editing especially at the results and discussion section as indicated in pdf version of the manuscript. Some references were referenced and they did not appear in the body of the report. Also some references appeared in the body of the report and were not listed among the references. Religion is one ethical factor that can affect livestock production in a country with heterogeneous religion like Nigeria and this should be properly captured in such a research like this.	I have deleted missing references and have replaced with new ones. I have tried to improve on this aspect of religion
<u>Minor</u> REVISION comments	There should be thorough revision of the paper for grammatical errors	I have also tried to correct the grammar
<u>Optional/General</u> comments	The paper supposes to be a good study but was carelessly reported
