It is now broken into two, showing a better explanation of the yields determinants in a separate sentence. Line 153-154: Sentence is too long. It is now broken into two using a semi-colon and rephrased with "reasons include". Line 16: "Southern" is replaced with "southern". Line 21: "K-Means, Cluster Analysis, Student T-test" is replaced with "K-means, cluster analysis, Student's T test". Sentence is also too long. It is broken into two and rephrased to enable clarity.
