SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The topic addressed in the manuscript treats an important researchable problem in agriculture. Overall, the methodology applied seems appropriate for the purpose and it is already well-established in these types of studies. Results are clearly laid out in a logical sequence. In abstract a conclusion sentence should be added. A sentence about ethical consideration in questionnaire survey should be added. The present paper contributes to the field Ethical issue: Yes, A sentence about ethical consideration in questionnaire survey should be added.	Agreed and effected.
<u>Minor</u> REVISION comments	Some references in the text are not presented in an appropriate format.	We could not identify them since the reviewer did not indicate those references affected.
<u>Optional/General</u> comments
