SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	see comments and suggestions in the attached file (original text)	
<u>Minor</u> REVISION comments	see comments and suggestions in the attached file (original text)	Regarding to the part that described the remainder of the paper. I think this part is important for the readers to have a general picture of our manuscript. Based on this, they can choose which parts they are interested in. Moreover, many famous manuscripts also write like that. Please consider and accept it. Regarding the part that the reviewer said it should be placed in the introduction part. I already rearranged it to the introduction part. Regarding the references, you suggested me to make a checklist, I actually do not understand what is your suggestion here? Could you explain in detail?
<u>Optional/General</u> comments	see comments and suggestions in the attached file (original text) This work shows originality and scientific quality for publication in AJAEES. However, we suggest that minor corrections are applied. The suggestions are highlighted throughout the text in the attached file.
