SDI Review Form 1.5

PART B: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part and write here 'Corrected'/ if not agreed, give suitable justifications)</i>
General comment:	Use formal English, some sentences you used, is not suitable for formal papers like "we turn to...". it is better to use passive forms of verb. Please revision the English language.	Corrected to the best of our ability
Specific comments:		
Title and abstract	Title is too long, name of company and exact region is not necessary for title. You can describe these items with details in introduction.	Corrected
Introduction		
Review of literature (Heading may differ in the case of review paper)		
Materials & methods (Heading may differ in the case of review paper)	In efficiency model, it is regular to draw a table and determine inputs and outputs and give an average for each one.	Corrected
Results & discussion (Heading may differ in the case of review paper)	For socio economic it is better to use table and any where needed you can use diagrams. Diagram and table is very effective for readers.	Corrected
Conclusion		
References	Needs some correction, be more careful.	Corrected
