- This form has total 9 parts. Kindly note that you should use all the parts of this review form.

SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	It is a great well-conducted study. However, minor revision should be made: - Words or sentences that I think should be removed are in a delete form. - My comments are written on green colour. - My propositions are written on red colour. Generally, they consist of a rearrangement of the authors sentences.	We have agreed to all suggestions and effected them, including rearranging sentences to emphasise on Alectra vogelii.
<u>Optional/General</u> comments
