- This form has total 7 parts. Kindly note that you should use all the parts of this review form.

SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	the topic is about diversification of crops. But, the whole text doesn't indicate the degree of diversification (horticultural). The topic can be modified as "..... diversification of horticultural crops ...".	The topic has been modified as suggested (pls see)
<u>Minor</u> REVISION comments	The paper needs minor editions like grammar. There are serious grammatical errors starting from the Abstract. That Author has to read the Manuscript again and minimize such errors.	The grammar of the abstract as well as whole manuscript has been improved.
<u>Optional/General</u> comments	In general, the paper looks very bulky. It will be good to go through it again and again; then minimize the size. Otherwise, future users will get it uncomfortable to make use of the manuscript.	The size of the manuscript has been minimized.
