- This form has total 7 parts. Kindly note that you should use all the parts of this review form.

SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. I calculated an estimate for the damages from invasive species for the U.S. My recent estimate is \$200 billion per year in our 2011 book on invasive species. Your manuscript is sound and suitable for publication. 2. The manuscript MS:2013-AJEA-5480 is well prepared and sound. Why not add a little information of the use of sorghum for livestock production? 3. I reviewed this manuscript and reported that it was sound. What needed is an answer to the question, why not feed livestock sorghum?	Use of sorghum as feed in Sudan has been highlighted. Yet worldwide importance of sorghum for livestock production will be included
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
