As per our strict quality control policy we cannot consider any published paper for our journals (Our General editorial Policy states: Submission of a manuscript clearly indicates that: the study has not been published (partly or as a whole) before or is not under consideration for publication elsewhere (except as an abstract or as part of a published lecture or academic thesis)) (Link: <http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy>).

Therefore, you are kindly requested to clarify this case at the earliest. Kindly inform us, if you have made any mistake during manuscript submission or not. If you have published this paper as only abstract in any conference, you need to adequately restructure the paper before submitting here to avoid any possible copyright or legal conflict.

Your manuscript is now in the desk of Editor for final decision. Editor requested you to give more clear explanation to defend your manuscript.

You may wish to provide your clarification point by point in tabular format.

Thank you for your information.

The published paper is on fertilizer adoption. i have sent for publication on forage adoption.

Therefore, there is no any question of ownership on this paper. there are some similiarities here and there b/n the two papers. but the significant variables are quite different in each paper
