SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Generally, the paper is good but can further be improved. The methodology and the interpretation of the result are sound. The author has some few grammatical errors to correct. Author should revise the introduction section. Some of the statements need to be revised. Avoid long sentences. Policy must be formulated taking into consideration the element of sustainability.	
<u>Minor</u> REVISION comments	In-text citation should be properly worked. The references section should be re-looked at. The author did not follow strictly the Journal Style of referencing.	
<u>Optional/General</u> comments
