SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	There is need to change the title. The work was conducted on the effect of different irrigation levels. The title does not match what has been reported. Temperature and moisture were uniform. Was not performed treatments for these characteristics. You can not directly correlate the effect of different irrigation levels with these two features.	
<u>Minor</u> REVISION comments	Improve the presentation of graphics	
<u>Optional/General</u> comments		

Note: Anonymous Reviewer
