- This form has total 7 parts. Kindly note that you should use all the parts of this review form.

SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. The Abstract should be recasted to show a concise reflection of the study introduction, methodology, results and conclusions. 2. All the <i>et al.</i>, in the full text should be properly written ie italicised followed by full stop and a coma . 3. In the methodology, there should be two controls (ie a no treatment control and a treatment with a standard insecticide). A standard insecticide should be introduced and used to compare with the extracts. This will bring out the beauty of this work.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
