

1. Special Query to Author

We are contacting you regarding the manuscript no. 2011_AJEA_1082. We find some parts of your manuscript (Introduction & Result and Discussion) which are similar to a report in Wikipedia (**Highlighted in green**) and three sentences in Introduction are similar to a part of a published paper without any reference(**Highlighted in red**). You are requested to reformulate the parts, **highlighted in green** and take the part **highlighted in red** into reference.

We are sending you the highlighted paper attached with this mail. Please, find it. After receiving your revised manuscript, we'll be able to proceed further.

The links are given below:
