PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The summary this good, just need to improve the discussion of some results and check some references	There some paragraph has been improved and references has been check with several correction or replaced.
<u>Optional/General</u> comments	In my opinion the paper is closer to a review of a case study, presents many flaws in the writing besides show no significant statistical test, it may be that the conceptual model is good, portrays the need for an integrated production to another culture becomes more profitable for small producers mainly Not present any figure of the study site. Ethical issues - yes	South Sulawesi is one province in Sulawesi Island which located in central part of Indonesia
