SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Table 1 was duplicated. One of them is needed to delete from the MS.	The extra table has been removed
<u>Optional/General</u> comments	This MS deal with the storability of sliced dehydrated three different varieties of tomatoes in Nigeria that were packaged in polythene bags for 7 th week. The author studied the proximate composition in these samples. It may be apply to reduce postharvest losses of tomatoes in Nigeria, although this is a basic and limited study.
