SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The abstract does not reflect the results of the study. The manuscript presents no consistent results and discussion. The study presents low number of replicates per treatment. Poor writing skills. I strongly recommend an English review before re-submission. There are some missing references in the discussion section. There is no evidence of ethical approval in the manuscript	Abstract stated clearly the results of the study. Results were presented and discussed. Missing references are now included. Number of replicates OK. Ethical approval now added.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	Comments on manuscript
