PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	This is a good quality research. It throws light on a very important component of the ecosystem i.e. mushrooms. Mycoflora is well investigated and very well description given to all mushrooms from the tropical forests of various regions. Topic is within the scope of the journal. Some specific comments are given in the manuscript, which can be incorporated in the manuscript.	Thank you so much for the appreciation about our research work.
<u>Optional/General</u> comments
