SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	This article is well written. Research methodology is very sound including the sampling procedure. Results and recommendation are fine. However, there maybe other recommendations to add. What if we recommend what education needs to do to preserve traditional communication media such as then introducing or strengthening these in school's curricula? Introduction of competitions on use of traditional media? Making them compulsory in certain levels at school? Just to make young ones or coming generation see value in them	We agreed with the reviewer's comments and we have included additional recommendations
